*Aggressive dogs or dogs with antisocial behaviour problems (i.e. excessively bark in the company of other dogs or people) are not suitable for training classes. Classes can often exacerbate these problems as opposed to helping your dog, so please consider a behaviour consultation instead. By signing below, you confirm that your dog does not react aggressively to dogs or people and does not bark excessively in the company of other dogs/people.*

## Terms & Conditions of Booking

By making a booking, you acknowledge that you have read, understood and fully accept our terms and conditions as detailed below:

### Bookings:

- When time allows before the first class, we will send you confirmation of your booking. This will confirm payment, start date, and give other information pertinent to your booking.
- It is the client's responsibility to ensure they attend on the correct date, time and place for the classes according to the information provided by the instructor.
- Booking confirms your attendance for your chosen training course. Please make every effort to attend each week. If you are unable to attend, please let us know as soon as possible.

### Fees and Prices:

- The full course fee must be paid in advance of joining the class by a method acceptable to Muddy Paws Country Store.
- Failure to pay in a timely fashion may result in your place on the course being given to another client.
- Price advertised at time of booking applies.

### Training Class Attendance:

- Our courses consist of 6 weekly classes, rather than a roll-on, roll-off programme or random attendance. For optimum results, we hope that you will attend all the classes and complete the course.
- All dogs must be vaccinated. If you are unsure about vaccinations please consult your vet directly. (NB: We do not consider homeopathic nosodes an acceptable alternative to conventional vaccines for young puppies.)
- Occasionally, we may find that a class environment does not suit a dog or owner. Full discussion over the best way to proceed will be undertaken and this may result in us making alternative arrangements to assist you.
- Children are encouraged to attend classes.
- All children must be under the supervision of a responsible adult who must agree to prevent them from disturbing the process of learning during the class. We reserve the right to ask disruptive children not to attend future classes.
- We make every effort to ensure safety of both clients and dogs during the classes. By making a booking, you are accepting that participating in an activity with dogs, children and adults poses a risk of injury to yourself and your dog, and you agree to indemnify Muddy Paws Country Store for all personal injury and damage to property owned by you while attending the training classes. You also agree to make any person who accompanies you to the class aware that they are also there at their own risk.
- Missed classes cannot be taken by joining another group

- Bitches in season are not permitted to attend a class. Please notify us if you consider your bitch may come into season during a course. Refunds are not given though we may offer alternative arrangements, such as continuing to attend without your dog, or deferring to another course.

### Training Class/Premises Rules:

- All dogs must remain on lead and kept away from contact with other dogs within the premises unless specifically instructed by the tutor.
- All instances of accident or injury must be reported to the instructor at the time they occurred.
- Harnesses (except anti-pull types) are permitted in class.
